The MMP was authorized through SB 420 (Chapter 875, Statutes of 2003), to clarify provisions of Proposition 215, the Compassionate Use Act of 1996, and to create a medical marijuana identification card program for medically qualified patients and their caregivers.

The Program began in May 2005 with 3 pilot counties and expanded statewide in August 2005.

After the Department of Health Services split, the new CDPH logo was printed on Medical Marijuana Identification Cards beginning September 1, 2008.
